

Welcome

I am delighted that you are considering applying for the position of Mini bus driver. This opportunity has arisen due to growth in the school from September 2024.

We are a successful, forward-thinking, co- educational independent school with a long tradition of developing and promoting individual talent and encouraging high aspirations within an environment of continuous improvement. Our history dates back to the 14th century, but we are also very much an innovative and forward-looking school that combines a strong focus on academic excellence with a rich co-curricular programme to enable our pupils to 'discover who they are' and unlock their potential in a school with a strong sense of community. The School continues to challenge itself on how we deliver our education services (recent years have seen the launch of a kindergarten, the establishment of a transport division, the opening of an international boarding house, and the deployment of iPads).

This is a fantastic opportunity for a qualified or willing to be a qualified driver to join our facilities team, the team are responsible for driving one of the school Mini buses on the home to school service, cleaning and maintaining the buses and recording pupil attendance on the bus.

Contracted Monday – Friday term time only, with contracted hours to be confirmed on interview. There is an additional 1.5 hours per week available for washing and preparing the vehicle. The successful candidate is expected to work those hours that are necessary to fulfil the role and the needs of the school. The actual hours vary depending on the route driven and the number of pupils on the bus, which can change on a daily basis.

If this role represents the type of opportunity and challenge which excites you, and you believe you have the necessary skills and experience to work with an excellent team, then we would be pleased to receive your application and give it serious consideration.

Headmaster

About the School and location

Wisbech Grammar School (WGS) is an independent, co-educational school located near the centre of the historic town of Wisbech in Cambridgeshire, on a green site of 44 acres beside the River Nene which runs through the town. The School offers a broad, high-quality education with excellent pastoral care for around 590 children aged 3-18. It is predominantly a day School but, in recent years, has started to take a limited number of boarders, mainly from the Far East.

The School is located on a single site with the Preparatory School and the Senior School sharing the same buildings and extensive playing fields. The Kindergarten was established in 2018.

The School is well-equipped with modern facilities for academic learning and co-curricular activities, and it has an ambitious programme for continued renewal. Wisbech is a historic market town with a royal charter in north Cambridgeshire and it straddles the River Nene, roughly halfway between Peterborough and King's Lynn. The town has a population of just over 36,000 and there are good road links to Cambridge, Norwich and Peterborough. The fast East Coast rail line runs twice hourly services from Peterborough to London in well under an hour. There are regular services to the East and West Midlands, and the North. Forty minutes to the north of Wisbech are the beautiful sandy beaches of North Norfolk coastline and the Sandringham estate. Easy access to lively urban centres combined with its proximity to areas of natural beauty, make Wisbech a highly desirable area to live.

History and development

WGS was founded as a school for boys in 1379, making it one of the oldest Schools in the country. It was established by the Guild of the Holy Trinity, a group of scholars who were highly influential in developing the social and economic life of the town in the Middle Ages.

WGS has been a cornerstone of the town over many centuries and its presence was a vital factor in the granting of a Charter for Wisbech in 1549.

Since its establishment, change has been in the DNA of Wisbech Grammar. It has occupied a number of sites within the town over its evolution. In 1905 Wisbech High School was established to provide the same educational opportunities for girls as boys enjoyed at the Grammar School. The two Schools developed concurrently until they were merged in 1970, when the boys school moved across the river Nene to its current location today.

In 2018, WGS launched its International strategy and welcomed its first international pupils the following year as the school evolved once again from a day school to a boarding School. January 2020 saw the opening of a second boarding house and there is now capacity for 28 boarding pupils as well as homestay placements.

September 2019 saw the expansion of our Early Years setting to offer more classrooms and bringing the spaces up to date with the most modern technology available. There has been a demand from the local community to offer more spaces in Kindergarten and Reception.
